

Intergalva 2024 Exhibition

The global exhibition of plant, equipment and services
for the batch galvanizing industry

The meeting place for the global galvanizing industry

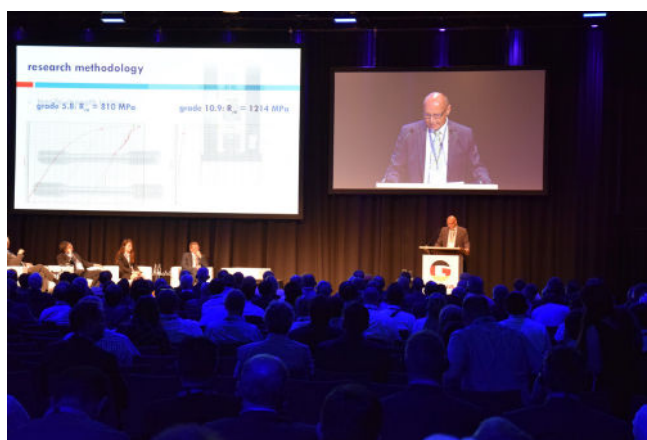

Intergalva 2024 is a unique opportunity to promote your products/services to senior decision makers in the galvanizing industry.

Intergalva 2024 will be held at the BMCC, Bruges, Belgium from 10-14 June 2024. The event is organised by the European General Galvanizers Association (EGGA) and hosted by ZinkInfo Benelux (ZIB).

The conference covers technical, commercial and environmental topics for the general (batch) hot dip galvanizing industry with an extensive exhibition of plant, equipment, process chemicals and other services.

Intergalva 2024 continues the series that began in 1950 and was last held in Rome in 2022. Recent Intergalva events have attracted over 750 delegates from 65 countries. It is the event that brings the worldwide galvanizing industry together.

Intergalva 2024 Exhibition

Features

- 3 day exhibition alongside the conference sessions.
- One large exhibition area in the conference venue.
- Delegate lunches and coffee breaks within the exhibition area.
- Welcome Party in the exhibition area on Monday evening.
- Masterclasses and plenary session streaming in the exhibition area.
- Ground level exhibition – giving easy transport access and sufficient floor loadings for larger plant and equipment.

Exhibiting at Intergalva provides a platform to meet face-to-face with key industry people. Sites are all located in one exhibition area that will also be the location for all coffee breaks, lunches and the Welcome Party on Monday evening - allowing you plenty of time to discuss the products and services your company has to offer with every delegate.

Welcome Party

The Welcome Party will take place in the Exhibition Hall on the evening of Monday 10 June with drinks, food and musical entertainment for all delegates and accompanying persons. This will be a great extended opportunity for exhibitor contacts with all Intergalva delegates.

Schedule

| | |
|-------------------|--|
| Saturday 8 June | Exhibition Set Up ⁺ |
| Sunday 9 June | Exhibition Set Up ⁺ |

⁺ depending on site location / type

^{*} exhibition breakdown may start from close of exhibition on 12 June

Venue

BMCC, Beursplein 1, 8000 Bruges, Belgium.

Bruges

Bruges is a city rich in culture and heritage. As a UNESCO World Heritage City, Bruges is distinguished by its canals and medieval history.

Hotel Accommodation

The BMCC is a convention centre in the centre of Bruges. BMCC does not have its own hotel accommodation. There are a large number of hotels within walking distance. Participants to Intergalva 2024 will get the best deals and choices by booking direct with their preferred hotel. A list of recommended hotels will be available soon at www.intergalva.com

Exhibiting

Selecting your site

The sites are shown on the floor plan.

- Lunch will be waiter-served around the entire exhibition hall.
- A limited amount of lunch seating will be provided by the Organisers – to encourage delegates to move around the exhibition. Exhibitors may choose to provide convenient lunch seating on their booths.
- Rooms 1 and 2 will be in use at specified times throughout Intergalva 2024 for small Masterclasses and for streaming presentations from the plenary conference auditorium.
- The plenary conference auditorium is located at Level 1.
- Larger sites can be created by combining adjacent sites, subject to approval.

Sites 1-15

These are sold without booth walls – allowing exhibitors to design and build their site with maximum flexibility. Electrical connection is included. Additional services and booth building, can easily be obtained from our exhibition contractors. Some cost-effective standard booth options for your space will be available.

Booth Sites 18-53

These sites are standard booths that are sold as a package (see example image ,right) and include walls (2.5m height); fascia with single company name; carpet; 3 spotlights and a 1kW power supply with single socket.

Most booths are 3x3m and may be combined to create a more prominent and larger booth. Booths 33 and 34 are 5x4m.

Exhibition times and set-up

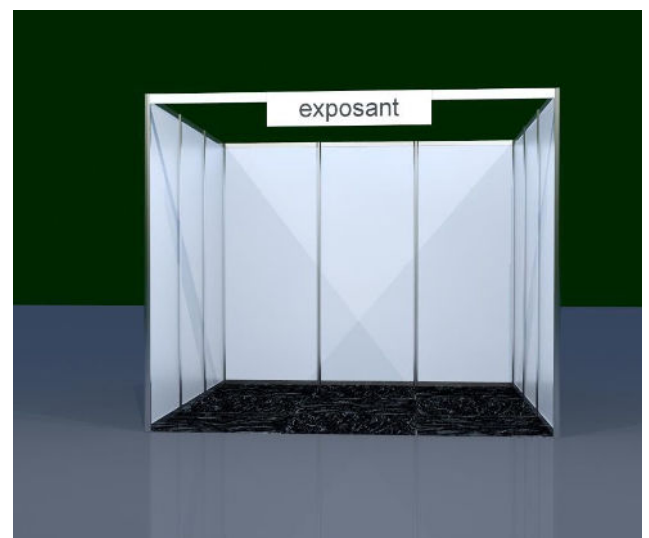

- Intergalva 2024 Exhibition will be open to delegates from 8am Monday 10 June to close of Wednesday 12 June 2024.
- Your allocated set-up time will depend on the size and type of your booth and will be advised separately.
- Breakdown schedule will be advised separately.

Access and floor loadings

- The maximum floor loading is 10kN/m². It may be possible to exceed the floor loading limit, with suitable weight distribution and floor protection - this requires early consultation.
- Information on dimensions of the access doors to the exhibition area are given in the technical guidelines.

Sponsorship

Sponsorship packages are available to enhance your presence as an exhibitor – contact us for details.

Additional Services

After your site has been allocated to you, EGGA's exhibition contractors will contact you with details of a wide range of exhibition services such as furniture, etc. These services will be contracted directly between EGGA's exhibition contractors and the exhibitor.

Other exhibitor benefits

- Standard entry in the Intergalva 2024 Exhibition Catalogue.
- Listing in the list of exhibitors placed on the Intergalva 2024 web site.
- Exhibition staff badging

Delegate registration and exhibition staff

The exhibition is closely integrated with the conference, so arrangements must be made for your personnel (that are not conference delegates) to participate.

Exhibitor staff can be booked on the following basis:

- Up to 6x3m - 2 exhibitor staff
- 6x6m - 3 exhibitor staff
- Greater than 6x6m - 4 exhibitor staff

Exhibitor staff can access all coffee breaks, lunch on 3 days and the Welcome Party on Monday evening.

Exhibitor staff can participate in the gala dinner and sightseeing tours at an additional cost (subject to availability).

Exhibitor staff cannot enter the plenary conference auditorium, register an accompanying person (spouse) or participate in visits to galvanizing plants.

Special arrangements will be made for conference delegates from exhibiting companies (details to follow).

Terms and Conditions

Payment Terms:

- A 25% deposit is required, on booking, to secure the site.
- The remainder of the site fee is payable by 8 April 2024

Cancellations of bookings may be made on the following basis:

- Cancellation before 8 April 2024, a 25% cancellation charge applies.
- Cancellation after 8 April 2024, 100% of the booking will be charged.

Obligations of exhibiting companies:

- To study and observe the Technical Guidelines and Rules of the BMCC Bruges.
- To respect the event rules and requirements set by the Organisers.
- Not to sub-let, or share, exhibition space with companies that are not registered as the exhibiting company without the written permission of the Organisers.
- To adhere to the set-up and break-down schedule set by the Organisers.

Staff:

- Exhibiting companies will be entitled to have present in the Exhibition Hall, a specified number of 'Exhibitor Staff' that are not required to register as conference delegates.
- The 'Exhibitor Staff' shall have access to all conference coffee breaks, lunches and the Welcome Party in the Exhibition Hall.
- The specified number of Exhibitor Staff for each exhibitor are indicated in the Exhibition sales document.
- Exhibitor Staff shall wear the event badge provided to them at all times when present in the BMCC Bruges
- Exhibitor Staff may add participation at Gala Dinner and sightseeing tours at additional cost.
- Exhibitor Staff cannot register an Accompanying Person (spouse) or participate to visits to galvanizing plants (these options are only available to conference delegates).
- Exhibiting companies may register conference delegates at preferential terms (details available separately).
