

Visits to Galvanizing Plants

Intergalva 2024 delegates can visit a wide variety of plants throughout Belgium and the Netherlands on Thursday, 13 June and Friday, 14 June.

Registration for plant visits must be made during registration and the fees paid at the same time as the delegate registration fee.

Groups 6 is a 2-day visit and must be booked by 10 May 2024 to ensure availability of hotel booking for night of 13 June which is included in the price for the visit. Visits to powder coating plants are included in all Groups.

Electrocoat Genk is a powder coating plant.
